INVITATION

**DMI-St. John the Baptist University
Cordially invites...**

Two Days International Conference on

"Innovative Teaching and Learning for Sustainable Development in 21st Century"

On 15th & 16th November, 2018 at Sunbird Nkopola, Mangochi, Malawi

Organized by

DMI-St. John the Baptist University (DMISJBU) in association with Malawi Institute of Education (MIE), University of Malawi (UNIMA), Lilongwe University of Agriculture and Natural Resources (LUANAR), and Catholic University of Malawi (CUNIMA).

Most Welcome!

Realm of the Conference

The conference will create a great opportunity and platform in bringing the ideal thoughts and novel ideas from the students, research scholars, academicians, educationists and industrialists around the world to discuss the desired outcomes within 21st century learning frameworks and how new technologies could be used in conjunction with contemporary knowledge building strategies, which lead to greater innovation in learning. This conference will make a vibrant impact, since participants are from Zambia, South Africa, India, Kenya and Malawi to present their scholarly papers in this conference.
